

MANUFACTURER'S WARRANTY AND GUARANTEE

Contractor:

Project:

Owner:

Trade:

Period: 10 years

Warranty Effective date:

This Warranty inures to the benefit of the original purchaser of the skylight(s) only, is non-transferrable and is subject to the terms and conditions set forth below.

Skyco Skylights warrants the products listed above as supplied to the above referenced project in the following capacity. This product is guaranteed to be free from defects in workmanship and material for the guaranteed period noted above from the date of substantial completion and to free from uncontrolled water penetration for the same period when installed in accordance with Skyco Skylights recommendations.

The sole liability of Skyco Skylights under this warranty is to repair or replace the defective product only, at a cost not to exceed the original purchase price of the product.

Skyco Skylights reserves the right to make any changes or improvements to its products without incurring any obligation to similarly alter products previously purchased.

This warranty gives the original purchaser specific legal rights. Although the original purchaser may have additional rights that vary from state-to-state,

There are no warranties expressed or implied, which extend beyond the description of the face hereof.
